## Experiencia laboral

---

### **Mobile Developer / Web Developer at Appio Grocery Store (Flutter)**

Appio - Guadalajara, Jal.  
julio 2021 - Actualmente

I am sole mobile developer for Appio which is still in development. Appio offers a wide variety of fruits, vegetables, cereals and groceries, with very good quality from the Abastos market with home delivery.

### **Mobile developer (Flutter)**

Meddi - Guadalajara, Jal.  
septiembre 2020 - septiembre 2021

I was hired for a startup called Meddi that helps improve traditional medical care especially in Mexico. Administer and manage all services from the app, take advantage of all the information and create your medical history.

### **Web Developer**

x3bar - San Francisco, CA  
octubre 2019 - diciembre 2019

X3 Bar is an e-commerce that offers a very good exercise tool in which I worked to remodel the old website.
